Dear Tim,

Thank you for your recent donation of \$400.00 to Women & Children First: The Center Against Family Violence. Your donation is 100% tax-deductible. The generosity of donors like you helps to ensure that WCF can continue to offer safety, strength, and hope for all victims of family violence.

Your donation to Women & Children First can have a life-long impact on the victims who come through our shelter. During our last fiscal year, we welcomed 590 adult guests into the shelter and 470 children. We answered 7,388 calls on our 24-hour Crisis Hotline, many from women who were taking the first step towards a safe and independent life. Our dynamic programming continues to adapt to meet the increasing and changing needs of victims of family violence, including our 24/7 crisis hotline, onsite mental health counseling, children's services, community outreach, court accompaniment, and an all-inclusive referral system network. As our staff works tirelessly to empower victims to break the cycle of violence, we recognize the unfortunate but growing need for comprehensive services for all victims of family violence in Central Arkansas. As we look towards the future, we are excited about our future endeavors to grow and expand through a new shelter, and we look forward to our community's support of our mission.

We are blessed to operate in an amazingly generous community, as you have proved by your donation. With your help, WCF can continue to provide comfort and hope to hundreds of families fleeing abuse. Thank you so much for taking a stand to help end domestic violence!

Sincerely,

Megan McBroome
