

## Problems encountered on Week 3, August 31, 2017

Must do's when adding new players,

1. In order for your new player to be eligible to participate in your match

a. You must **Enter the full name of your new player at the bottom of the sheet**

b. You must **Collect the dues of \$25**

c. You must **Annotate that the dues were collected and by whom**

*I will then forward this information to Chris Berry for his records*

*Then you can get the dues collected to Chris Berry or any member of the board whom will then get it to Chris Berry.*
